

## 2022 ATTENDEE LIST

---

The Auto Intel Summit (AIS) examines the innovation and digitization in the retail, finance and remarketing segments of automotive— including regulatory considerations, the role of the investment community, B2B and B2C applications of such tech developments.

We were thrilled to bring top executives, leaders, dealers, startups and more back together in person this year. See below for access to this year's attendee list - a who's who list of the auto biz that gained insight's into What's Next in the industry.
